Fashion Club

Fashion club is an after school program, where the students of Murrow can express themselves and display their talent in fashion through the clothing pieces they create. In fashion club we have a variety of students who are interested in pursuing a career in modeling and fashion designing. The designers are in the process of creating three different outfits, using their sense of style and are currently learning how to use the sewing machine. The models practice different types of walks that take place in an actual fashion show and are also learning how to properly walk down the runway and pose. Some of the events that the Fashion club will be holding, is a fashion show at the end of the year, a bake sale in the 285 suite, a fashion photo shoot with all the participants, which is in the works, and hopefully taking fun trips involving fashion designing and modeling.

Fiction Writing Club

"You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face... Do the thing you think you cannot do."
- Eleanor Roosevelt

Are you a writer interested in sharing your work and making friends with similar styles? Then Fiction Writing Club is the place for you. Every month, members participate in ‘Writer of the Month’ where everyone writes a little piece on a decided genre. The November genre is historical fiction! The person with the most votes is awarded ‘Writer of the Month’. We also

hope to enter writing competitions, like Scholastic, which we will regularly update people on. We had a Halloween Party where students shared scary stories they wrote and ate snacks they brought in. We will have other holiday events over time and our new club is

open to creative ideas. At our next meeting the members will continue to brainstorm for their Writer of the Month piece, discussing our favorite time in history as well as writing inspirations.

This Club is also interested in getting to know different cultures and get to know each other but the most important thing about this club is to have fun and make new friends. Every Tuesday that we meet, we teach a choreography for students to learn step by step and we keep practicing until students get familiar with the steps and they are ready to present. We also celebrate our cultures for example; we celebrated the “Day Of The Death” which is a celebration for most of Latin America. This year we are planning to do different activities for example , during the holiday season our plan is to go and visit the elder people and the kids that are in the hospital and bring them gifts and we will also perform a dance.

The Haitian American Club is about the knowledge you'll obtain about the people of Haiti. The Haitian American Club is a club that has various activities included in it. For instance, in our club we do power point presentations on a holiday, and its relation towards Haiti; or American events, and its relation towards the country of Haiti. We listen to music at the start of the club. Then we break into teams to learn from our power point presentation, and the

language of Haitian Creole. The sole purpose of the table teams is to put students in teams depending on their knowledge of Haiti. They can move up from the four levels by participating in competitions/performances like jeopardy, debate, etc. We also have a social session;

as a time for students to spend time socializing with their friends in the Haitian American Club. As well as, ice breaker handouts just to add in a way to reinforce communication within the club. Some events that Haitian American Club participate are: "Haiti Survival Kit, Drive", "Food Fair", "Can Drive", "One Trip Per Year".
