March 19, 2020

Dear parents and students,

As you may already be aware, schools will be closed until April 20th and during these challenging times, we want to assure you that our CARE mission will continue to extend well beyond our classrooms walls. This week, our staff will be working towards transitioning to a remote learning model and creating digital learning resources and supports. This will ensure a continuity of high quality instruction that you have been accustomed to at Edward R. Murrow High School. We will be providing more information in the near future. I ask everyone to please check their email, website (ermurrowhs.org), and social media (Instagram and Facebook) regularly for updates.

Please continue to stay safe, continue to help family and friends, and always know that we are here with you. While we may be experiencing some unprecedented challenges, I know that we will weather this storm together.

... because at Edward R. Murrow High School, we CARE about our students!

Best,

Allen Barge
Principal
March 22, 2020

Greetings Murrow,

This is Mr. Barge with a brief message ...

Monday is the official start to remote learning at Edward R. Murrow High School. Most of you have already communicated with your teachers and have begun the remote learning experience. Here are a few friendly reminders …

• If you have not logged on to your Pupilpath and Murrow google email accounts, please do so. If you need assistance, please email your teacher or guidance counselor. You can also email our parent coordinator, Ms. Rosie or subject Assistant Principal.
• We will be taking student attendance each day through a link that will be sent to you through your Murrow google email account. Please check for the attendance email each day since we will be taking your daily attendance there by 9:00am. If you encounter any issues, you can also check your Pupilpath email for this attendance link each day.
• Please keep up with your work as all teachers will be providing assignments, interactive lessons and assessments. Establish a routine where you are logging into your Google classroom and Pupilpath accounts every day and setting enough time aside to complete your assignments. Always remember that if your need assistance, please reach out to your teachers and if you need additional supports, please email your guidance counselors.

Please continue to check the Murrow website (ermurrowhs.org) as well as our social media outlets regularly for updates and videos to see what’s happening throughout the Murrow community.

Most importantly, be safe Murrow and have a FANTABULOUS week!

Best,

Allen Barge
Principal
